2.3.2 Teachers use ICT enabled tools for effective teaching-learning process.

In TEC, the classrooms and labs are ICT enabled with projectors installed and the campus is enabled with high speed Wi-Fi connection. The faculty at TEC use various ICT enabled tools to enhance the quality of teaching-learning like

1. Google classroom is used to manage and post course related information- learning material, quizzes, lab submissions and evaluations, assignments, etc.
2. Virtual labs are used to conduct labs through simulations.
3. Online drawing tools like concept maps, mind maps, are used to perform student centric activities.
4. The PPTs are enabled with animations and simulations to improve the effectiveness of the teaching- learning process.
5. The online learning environments are designed to train students in open problem-solving activity.
6. Google Meet is used to host a video session/lecture. Teachers can invite upto 100 participants and record the sessions for later access.
7. Lab manuals are mailed to students well in advance the experiment is performed.
- 8 Online quizzes is regularly conducted to record the feedback of the students.
- 9 To teach mathematical subjects in online mode, teachers have used various online tools like whiteboard in Microsoft teams, Wacom board in Google meet, etc.
- 10 Wacom board is used to make it easy to explain concepts visually, encourage collaboration, and support flipped and distance learning programs.
- 11 The faculty members used Google meet or Zoom to conduct tests and for lecture delivery. Also used many interactive methods for effective teaching such as PPT with animations, Video clippings.
- 12 Other important activities such as Project presentation, Debates, Group discussions, Mentoring, PTA meet, AAC meet also conducted online through Google meet or Zoom platforms for quality teaching learning process.
- 13 The research journals and e-books are available on online library to our faculty and students.
- 14 All the departments are conducting webinars, workshops and guest lectures on the new developments in the core subjects for effective teaching and learning by Industry experts and Alumni on Zoom platforms and also broadcasted the same on You tube.
- 15 Our College You tube channel is used for the students as a platform for learning.
