Report of the Program

1	Program Name	Gate Awareness Program
2	Date of Program	11/08/2022
3	Resource Person	Dr. D. Ravindran, Principal, Thamirabharani Engineering College.
4	Participants	167
5	Objective of Program	The main objective of the Seminar on Gate Awareness Program is the comprehensive, developmental program designed to assist individuals in making and implementing informed educational and occupational choices.
6	Program Description	<p>The program started with welcome address for the resource person, 167 of final year students of circuit branches and Non circuit branches attended the seminar. The resource person explained in detail about the career options that they have, and how to pursue them.</p> <p>Career guidance helped the students to fulfill their aspirations by setting up realistic goals. As mentioned earlier, career choice will determine the future of the students not only by providing them their dream job but also by providing them a better future with job satisfaction.</p> <p>In addition to getting help with matters that involve beginning your career, such as choosing a vocation or securing your first job, you can also get direction about things that occur later. For example, career guidance services also include helping individuals advance their careers and deal with workplace issues.</p>
7	Outcome of this Program	A career guidance and counseling program develops an individual's competencies in self-knowledge, educational and occupational exploration, and career planning.
