Subject: Hash8 Campus Recruitment Drive 2023

To: [placements@tec-edu.in](mailto:placements@tec-edu.in) <[placements@tec-edu.in](mailto:placements@tec-edu.in)>

Respected Sir,

We would like to conduct our 2023 fresher recruitment drive at your reputed campus (Thamirabharani Engineering College, Tirunelveli) this Saturday, 24th June 2023 between 10 AM and 4 PM. I have attached the interview flyer along with this email.

We want to sincerely thank you for all your support in helping us conduct this campus recruitment drive. We have received several applications from the students of your prestigious institution and are excited to recruit them as we find fit. There will be candidates from other colleges attending this recruitment drive.

As discussed by **Arvinth**, we would like to host a presentation outlining Hash8 and the interview process for all the candidates (250+) at your college's auditorium. If possible, we would also like to utilise the college bus facilities to pick up and drop the candidates that attend the interview. Hash8 will happily compensate for all the expenses, if incurred.

Thanks again and we look forward to our partnership.

Best Regards  
Venky Karuppanan  
CEO

### **Submitted to Secretary through Principal**

We received the above email today by 10 AM from M/s **Hash8** informing us to make necessary arrangements to conduct interview on **coming Saturday (24.06.2023)** at our campus.

In view of the above the following arrangements need to be done from our end

(i) From new bus stand to our college minimum two trips (morning) and minimum two trips (evening) has to be arranged by our college for other college participants to attend interview at our college. Charge per trip per bus will be given by M/s Hash 8 Company on mutually agreed basis.

(ii) CSE computer lab, MB computer lab, CSE Auditorium needed in order to conduct written test and interview.

(iii) Lunch will be arranged by M/s Hash 8 company for the participants and atleast one MSF has to be with the team members.

Hope our management will help the company people for the smooth conduction of the above interview.

Regards

Kind Attention: **Dr. G. Srinivasan,**

As per our telephonic conversation, we are planning to recruit the students from your college through an online campus interview and we hope that this mail reaches you at the best of your health. **Thamirabharani Engineering College is one of the prestigious institutions** that maps extraordinary young minds to varied disciplines of the modern world. In the endeavour of giving fresh talents to the top-notch industries, we would like to collaborate with your organization for the ongoing & upcoming placement seasons.

We, **JSE Engineering Pvt. Ltd.**, are sending this proposal to your college for the purpose of online campus recruitment to hire fresh graduates in our firm.

The budding professionals – Engineering graduates in **MECH, EEE, ECE, E&I, CIVIL Engineering and Architects** will be given a great opportunity to work at **JSE**.

The role would be **Junior Design Engineer** and the location would be **Chennai**. Currently, we have huge openings for the Junior Design Engineer role and the **placement coordinator can select the Students** on the basis of overall marks obtained in all semesters, which should be **70%**

### A Brief about the company:

**JSE Engineering** is a leading firm of consulting engineers in Structural Engineering and Building Services specializing in Air conditioning, Fire Protection Engineering, Public health (Plumbing) and Electrical services. **JSE** was established in 2005 by leading consultant and professional engineers who had professional practice with international standards and codes for more than 20 years. **JSE** has completed more than 2200 overseas projects with the support of our overseas office **M/S. GREENCO** at Dubai.

Some of the note worthy INTERNATIONAL PROJECTS includes,

- The Avenues Khobar Mall & Tower - Riyadh
- The Indigo and Sheraton Hotel – Dubai
- Abu Dhabi International Airport
- The Island Hotel, Dubai
- Palm Jumeirah Sofitel Hotel - Dubai

What are the difference types of faults occurring in the power system?

What is the difference between primary and backup protection?

Why Protection scheme is needed for power system?

Enumerate the significance of back-up protection.

What do you understand by zone protection? State its significance.

What do you mean by dead spot in zones protection?

What is Peterson coil grounding?

Give the type of faults.

What is the significance of PSM and TSM?

A relay is connected to 400/5A ratio CT with current setting of 150%. Calculate the plug setting multiplier when a fault current of 4000A flows through the system.

Write any two merits and demerits of static relay

What is meant by relay operating time?

What is the principle of differential relay?

Define the term "Pickup" value in a protective relay?

Mention the principle of operation of distance relay.

Determine plug setting multiplier (PSM) of a 5A, 3 sec. over current relay having a current setting of 125% and a time setting multiplier of 0.6 connected to supply circuit through a 400/5A CT when a circuit carries a fault current of 4000A

1. Discuss the importance of earthing of power system in detail. Also explain the resistance and reactance type of grounding with necessary diagram

2. What are the essential qualities of protection of relay? Explain in detail.

3(i) Discuss briefly about primary protection and back-up protection

(ii) Discuss the roles and requirements of protective relays in a modern power system.

4(i) What do you understand by zone protection? Draw the one line diagram of a power system and discuss the different protective zones.

(ii) Explain the working principle of Peterson coil type of neutral grounding in detail

1. Describe the construction and the principles of operation of an Induction type non-directional over current relay with directional feature. Also discuss the appropriate the Phasor diagram, the  $30^\circ$  relay connection with a maximum torque angle of  $0^\circ$

2. Explain with necessary sketches and their R\_X diagrams of Impedance, mho and reactance relay.

3. With neat diagram explain the various types of electro-magnetic relays..

4 (i) Lists the merits and demerits of static relays over electro-mechanical relays.

(ii) Explain the construction, principles of operation of negative phase sequence relay

Kind Attention: **Dr. G. Srinivasan,**

As per our telephonic conversation, we are planning to recruit the students from your college through an online campus interview and we hope that this mail reaches you at the best of your health. **Thamirabharani Engineering College is one of the prestigious institutions** that maps extraordinary young minds to varied disciplines of the modern world. In the endeavour of giving fresh talents to the top-notch industries, we would like to collaborate with your organization for the ongoing & upcoming placement seasons.

We, **JSE Engineering Pvt. Ltd.**, are sending this proposal to your college for the purpose of online campus recruitment to hire fresh graduates in our firm.

The budding professionals – Engineering graduates in **MECH, EEE, ECE, E&I, CIVIL Engineering and Architects** will be given a great opportunity to work at **JSE**.

The role would be **Junior Design Engineer** and the location would be **Chennai**. Currently, we have huge openings for the Junior Design Engineer role and the **placement coordinator can select the Students** on the basis of overall marks obtained in all semesters, which should be **70%**

### A Brief about the company:

**JSE Engineering** is a leading firm of consulting engineers in Structural Engineering and Building Services specializing in Air conditioning, Fire Protection Engineering, Public health (Plumbing) and Electrical services. **JSE** was established in 2005 by leading consultant and professional engineers who had professional practice with international standards and codes for more than 20 years. **JSE** has completed more than 2200 overseas projects with the support of our overseas office M/S. **GREENCO** at Dubai.

Some of the note worthy INTERNATIONAL PROJECTS includes,

- The Avenues Khobar Mall & Tower - Riyadh
- The Indigo and Sheraton Hotel – Dubai
- Abu Dhabi International Airport
- The Island Hotel, Dubai
- Palm Jumeirah Sofitel Hotel - Dubai

**THAMIRABHARANI ENGG. COLLEGE,**  
Tirunelveli, Tamilnadu-627 358

Currently more than 400 **JSE Engineering** employees are working in overseas project's site offices at Dubai, Abu Dhabi, Qatar, Muscat, Saudi Arabia, Bahrain and Kuwait to prepare detailed design and engineering drawings in building services.

The Building Design Sector is rapidly growing compared to the Automobile sector. So the job openings for Mechanical, Electrical, Civil Engineers and Diploma graduates are on a larger

scale worldwide. As transactions increase industry wide, more Mechanical, Electrical, Plumbing and Fire Protection Engineering & Civil Engineering firms jump in. .

Over the past several years, **JSE Engineering** has had the privilege of hiring many of the fresh graduates. Currently we have openings that may be of interest to your graduating students.

**A Brief about the role:**

The role of **Junior Design Engineer** would require the following:

- **Final year Students in Mechanical, Electrical & Civil Engineering**
- Good technical knowledge
- Good Arithmetic skills
- Leadership skills
- Strong communication and smartness

**A Brief about training:**

Selected candidates shall work as a trainee cum Intern for the first 6 months to get professional knowledge in building services.

**There is no training cost involved.**

All selected candidates shall work **at least 3 years** from the date of joining in **JSE Engineering Pvt Ltd** in order to transform to professional engineers.

Employees will be given **onsite (abroad) opportunities** (Dubai, Abu Dhabi, Qatar, Muscat, Saudi Arabia, Bahrain and Kuwait) **after working in the Chennai office.**

**The employees sent abroad to clients' places at the expense of the company.**

**Emoluments Package :**

<b>0-6 months</b>	<b>Trainee Cum Intern</b>	<b>Rs. 10K</b>
<b>From 7<sup>th</sup> to 12<sup>th</sup> Month</b>	<b>Junior Design Engineer</b>	<b>Rs. 20K</b>

**NOTE: There is a yearly increment of minimum Rs. 3500 to Rs. 5000 depending on individual's performance.**

**Great Career starts here at JSE.**

Kindly let us know the date when we can conduct online interview and we would be glad to take it forward.

It's transparent that the knowledge and training which students are going to gain will be huge and will uplift their living standards. We have solid proofs and case studies of engineers from zero knowledge to highly qualified professionals now. JSEians are successful engineers working abroad with high Income right now and demand for our JSE engineers in the market is too high.

Looking forward to hiring great talents from your college
