## REPORT OF THE PROGRAM

1	Program Name	Seminar on "BLOOM'S TAXONOMY OF EDUCATIONAL OBJECTIVES"
2	Date of program	15.10.2022
3	Resource person:	Mr. M. A RAJA M. E., AP/CIVIL
4	Participants	36
5	Objective of program	The main objective of this program is to measure the quality of the program that a graduate has to acquire from any college/university during his four years of under graduation
6	Program description	The program started with a welcome address and introduction to the resource person by Mr. M. A. RAJA M. E., Assistant Professor of CIVIL Department. All Department faculty members attended the seminar. The key speaker explained in detail about the concept of six cognitive level of thinking and how an educator can achieve the goal to encourage higher-order thought in their students by building up from lower-level cognitive skills using Bloom's Taxonomy. The program also sensitized faculties on the know-how of defining effective and measurable course and lesson objectives. The session concluded with an interactive session between the instructor and the Staff in which the queries of the staff were addressed satisfactorily. The session ended with a vote of thanks by Mr. M. Raja Muniasamy M. E., AP/CIVIL
7	Outcome of this program	The staff got knowledge on BLOOM'S TAXONOMY OF EDUCATIONAL OBJECTIVES

### REPORT OF THE PROGRAM

1	Program Name	Seminar on "Enhancing Communication Skills"
2	Date	15.10.2022
3	Resource Person	Ms. Merlin S, AP/English
4	No. of Participants	14
5	Objective	To develop the basic communication skills
6	Program Description	<p>On 15.10.2022 EPC of our college organized the seminar entitled "Enhancing Communication Skills" for all the non teaching staff members. Ms. Merlin S, AP/English was the resource person of the program. The entire program focused on the following points</p> <ul style="list-style-type: none"> <li>• What is communication?</li> <li>• How one can enhance the communication skills?</li> <li>• Tips to adapt the basic skills-LSRW</li> </ul> <p>Towards the end of the session participants asked questions and the resource person clarified their doubts for better understanding. The program was very useful to all the participants and feedbacks were collected orally from them. It was a resounding success which was arranged by the coordinator of EPC. The coordinator encouraged the participants to attend the upcoming programs as well. And she proposed the vote of thanks to the gathering.</p>
7	Outcome	Improved Communication skills

6	Program description	<p>The program started with a welcome address and introduction to the resource person by Mr. D. G. David M. E., Assistant Professor of Computer Science Department. 36 faculty members attended the seminar. The resource person explained in detail about For success of any program depends on the attainment of course outcomes and program outcomes. But there is a lack of understanding among the Engineering faculties in CO-PO attainment calculations. This program explores the significance of proper CO-PO mapping and its attainment calculation. CO-PO mapping and its attainment calculations are an integral part of OBE and it helps in continuous quality improvement, which serves as a feedback for OBE loop.</p> <p>The session concluded with an interactive session between the instructor and the Staff in which the queries of the staff were addressed satisfactorily. The session ended with a vote of thanks by Mr. M. Ramnath M. E., AP/CSE</p>

## REPORT OF THE PROGRAM

1	Program Name	Professional Development Program on Art of writing a research paper
2	Date of program	12.12.2022
3	Resource persons:	Dr. G. Srinivasan and Mrs. V. Anusha Rani
4	Participants	31
5	Objective of program	The main objective of the professional development program is to give a clear insight to the faculty members on writing a research paper.
6	Program description	The program started with welcome address by Mrs. S. Nazrin Salma, Assistant Professor / EEE. 31 faculty members attended the program. Dr. G. Srinivasan explained in detail about research paper writing and how to handle reviewers and editors. He showed the sample of paper he has submitted in the journal and explained about how he handled reviewers comment, which gave clear understanding to the participants. Mrs. V. Anusha Rani gave clear explanation on selecting a journal that matches the research scope. The principal motivated the faculty members and conveyed the importance of research. The session concluded with an interactive session between the resource persons and the faculty members in which the queries of the participants were addressed satisfactorily. The session was very clear, understandable and informative. The session ended with vote of thanks by Mr. S. ArumugaKani AP/EEE.
8	Outcome of this program	The faculty members gained knowledge on research paper writing.
