1. Safety and Security

In our college, a sufficient number of security personnel safe guards the campus and safety and security of the students are ensured. Special attention is given to the girl students those who are staying in the Hostel. During night time, the entire campus is covered with sufficient lighting arrangements. Round the clock in all the days, medical support for all hostel inmates is given by a physician available in our campus.

Separate Transport facilities are provided in case, if emergency conditions arise. CCTV cameras are installed at various points for monitoring purposes. Electricity Power backup is available in the campus. Fire extinguishers are available in our campus to extinguish or control fires under emergency conditions. **Student Grievance Cell** and **Women's Empowerment Cell** are available and provide a convenient platform for our students to represent any issues that may arise. The entering of vehicles and people are checked at all exit and entry points. Visitor register is maintained in college main gate and hostels. Wardens and Staff in charges are available 24x7 for in-house security purposes.

Counseling

Every faculty is allotted 15-20 students for effective Student personal counseling and mentor system. The main objective is to keep track of the progress of the students and counsel them accordingly for academic and personal developments.

Our counseling system provides support to the girl students and envisages them to realize and resolve their problems. Care is taken to empower the students, to strengthen them towards leadership and self- motivation and to make them confident in all walks of their career through various training programmes

3. Common Rooms

Separate common rooms for boys and girls are provided inside the college campus. For convenience of students, rest rooms are available in every floor. Well-furnished separate hostels for boys and girls are available. Multi Gym facility is available in campus.
