Report of the event

1	Event Name	Tree plantation
2	Date of event	21.03.2023
4	Participants	34
5	Objective of the Event	To motivate the students to keep their surroundings green and clean by undertaking plantation of trees
6	Event description	Students planted many flowers and specially and Tulsiplants as it contains medicinal properties and will be helpful for students if anyone falls ill. The program ended and we were all given snacks to eat. We all planted many trees and marked it as our best achievement in conserving nature. By the end of the tree plantation programme we all were exhausted and wanted to sit under the tree already present in the garden. Our honorable guest gave a speech on benefits of planting trees, how it helps cleaning the environment and uses of medicinal plants. Me and my family pledged to plant as many trees as possible near are areas so as to create a very healthy environment and contribute in minimizing the climatic changes.
7	Outcome of the Event	The students gained the experience of the Eco Club plays an important role in creating environmental awareness amongst the future generation around the campus.

Report of the event

1	Event Name	Campus cleaning
2	Date of event	03.01.2023
4	Participants	46
5	Objective of the Event	To incorporate the idea of cleanliness and sow that behavior in the minds of students
6	Event description	<p>Cleaning is important for the health and safety. If the hallways and rooms within a college are cluttered with rubbish, cables, boxes and other obstacles, it increases the likelihood of mishaps. If a serious injury occurs as a result of a disorganized work environment, it can potentially lead to more severe problems, including lawsuits and a loss of productivity and faith in the college.</p> <p>Though the campus is daily maintained by sweepers and campus in charges, the students have to get the feel of cleaning by their own hands help them to realize how tedious the cleaning activity goes on.</p> <p>The students will spread their experience with other students and they will not throw or make anything untidy to the campus.</p> <p>Also cleaning the campus will enhance their feeling of attention and range of comfort.</p>
7	Outcome of the Event	The students gained the experience of cleaning the campus and the idea of maintaining cleanliness around the campus.
