External Academic and Administrative Audit Report

General information about the Institution

Name and Address of the Institution	Thamirabharani Engineering College Thatchanallur, Tirunelveli-627008, Tamilnadu
About the Institution	Established in 2011 Approved by AICTE, New Delhi Affiliated to Anna University, Chennai.

S. No.	Department	Title of the Programme offered
1	Civil Engineering	B.E. Civil Engineering
2	Computer Science and Engineering	B. E. Computer Science and Engineering
3	Electrical and Electronics Engineering	B. E. Electrical and Electronics Engineering
4	Electronics and Communication Engineering	B. E Electronics and Communication Engineering
5	Mechanical Engineering	B. E. Mechanical Engineering

Objective of the Academic and Administrative Audit (AAA):

The main objective of the audit is to review, assess, and evaluate the performance in the domains of teaching-learning process, research, extra-curricular and administrative aspects pertaining to departments of the institution. The review process is usually carried out by either internal committee members or the external experts. As a part of the audit process, the IQAC has structured a proforma for the evaluation based on the Criteria specified by the NAAC. The criteria-wise evaluation of the department includes:

- Course content and Teaching - Learning Process
- Examination and Evaluation system
- Results and other activities
- Infrastructure
- Department Administration

External Academic and Administrative Audit (AAA):

The Visit of External Expert Mrs. S. Renuka, Associate Professor and HoD/ EEE, Sree Sowdambiga College of Engineering and Mr. M. Elayaraja , Associate Professor & HoD/ ECE, Sree Sowdambiga College of Engineering, Aruppukottai was scheduled on 08.05.2020. The External Expert was assisted by the IQAC members for conducting the audit as per the schedule. The External Expert had a formal meeting with the Principal, and Head of Departments during which Principal presented the overview of the institute, developments and the achievements made. External Expert was briefed about the objective of the audit and the procedure involved. The External Expert visited all the departments and audited one department as a sample. And they went for site visit to review infrastructural facilities in the department such as classrooms, laboratories and interacted with the teaching staff and the technical staff to know the academic and administrative performances. All the related documents were presented to the External Expert. Also, the External Expert visited the Training and placement cell, and Maintenance, Research, Extension and club activities and had interactions with the Faculty In-charges. After completing all stages of inspection and interactions the External Expert prepared AAA report for the college covering the summarized observations and recommendations.
