REPORT OF THE PROGRAM

1	Program Name	"ETHICS FOR A TEACHER"
2	Date of Program	11.08.2016
3	Resource Person:	Mr.P.Senthilkumar Paul Raj
4	Participants	50
5	Objective of Program	The main objective of the webinar is to give a clear insight to the maintenance of dignity and interest of the profession by maintaining high standard of professional and personal conduct.
6	Program Description	<p>The program started with welcome address and introduction to the resource person by Mr. P. Senthilkumar Paul Raj, Secretary. 50 faculty members of all branches attended the programme. The resource person explained in detail about Ethics for a Teacher. The Teacher should deal justly and impartially with students regardless of their social, economic, regional and religious background. They should recognize the differences among students and seek to meet their individual needs and also encourage the students to work for higher individual goals. He also advised the teacher to be loyal to the institute system and the country.</p> <p>The session concluded with an interactive session between the Resource person and the faculties in which the queries of the teachers were addressed satisfactorily. The session was very clear, understandable and informative. The session ended with vote of thanks by the program coordinator, Mrs. A. Anna Lakshmi, AP/CSE.</p>
7	Outcome of this Program	It suggests bridging the gap between ethical theory and cases by teaching ethical dilemmas and issues that are likely to be encountered in daily professional life.

REPORT OF THE PROGRAM

1	Program Name	Seminar on "ETHICS FOR STUDENTS"
2	Date of Program	06.09.2017
3	Resource Person:	Dr. R. Rajakumari
4	Participants	36
5	Objective of Program	The main objective of the seminar is to study and assess human behaviour.
6	Program Description	<p>The program started with a welcome address. The students of all branches attended the seminar. The resource person discusses the following factors; Student development theory provides a framework for empowering students in these life tasks.</p> <p>The five ethical principles that inform our work as student life professionals are 1) Autonomy 2) Prevent Harm 3) Do Good 4) Justice and 5) Fidelity.</p> <p>In the goal of autonomy, we recognize the need for students to become increasingly independent. With a clearer sense of self, students develop an increased sense of confidence and self-direction. Secondly, within this increased sense of autonomy, we must prevent harm. However, avoiding harm is not an end in itself; we want to provide the opportunity to do well.</p> <p>Interacting within a campus context, we treat each other with equity. Student Life professionals value justice; recognizing that individuals are different, we retain objectivity in our perception of each other.</p> <p>Fidelity is reflected in our commitment to confidentiality, professionalism and knowledge of our abilities and limitations. To be most meaningful, trust and confidentiality is embraced by both faculty and students when engaging sensitive issues.</p> <p>The session was very clear, understandable and informative. The session ended with a note of thanks by the program coordinator.</p>
7	Outcome of this Program	<p>It suggests bridging the gap between ethical theory and cases by learning student's ethical awareness, reflection, and decision-making ability.</p> <p><i>R. Rajakumari</i> Program Coordinator</p> <p><i>[Signature]</i> Principal</p>

REPORT OF THE PROGRAM

1	Program Name	Plastic Waste Collection Program
2	Date of program	20.08.2016
3	Participants	89
4	In Association with	Velshine Power Solutions.
5	Objective of the Program	The main objective of the program is to create Plastic waste awareness to the village people and to keep the environment safe and clean.
6	Program description	Our college initiated to conduct an awareness program on 20.08.2016 in Uthumalai Village, Tirunelveli. 89 volunteer students from our college and accompanying staff members participated in it. The villagers and the students came to know that Plastic pollution is today one of the most serious environmental problems affecting the oceans. Once in the natural environment, plastic can take up to 500 years to disappear and impacts wildlife on a daily basis. Drifting between two bodies of water it can strangle or smother any number of animal species. Tips for reducing your plastics Avoid single-use plastics such as drinking straws, If you go shopping, remember to take a cloth bag, Recycle chewing gum, it's also make of plastic. Buy more bulk food and fewer packaged products, Replace plastic Tupperware for glass or steel containers. The programme was organized by Mr. A. Niyas Ahamed, Coordinator / Rotaract Club and Mr T. Subash, AP/MECH and it was a great success.
7	Outcome of the Program	Students and the society got the awareness about Plastic waste.

REPORT OF THE PROGRAM

1	Program Name	Road Safety Awareness Rally
2	Date of program	18.07.2016
3	Participants	32
4	Objective of the Program	The objective of this program is to provide road safety information for road users to encourage safer road user behavior among current and prospective road users and reduce the number of people killed and injured on our roads every year.
5	Program Description	Road traffic safety refers to the methods and measures used to prevent road users from being killed or seriously injured. Typical road users include pedestrians, cyclists, motorists, vehicle passengers, horse riders, and passengers of on-road public transport. On 18.07.2016 "Road Safety Awareness Rally" was conducted in Thangammal puram Village, Tirunelveli. 32 members participated in the program and had road safety education would help students understand the importance of safety on the road when walking as a pedestrian or as one driving a vehicle. It's also important to take immediate action such as calling the authorities for medical or transport aid or both. It was a resounding success which was arranged by Mr. A. Niyas Ahamed, Coordinator/Rotaract Club.
6	Outcome of the Program	The students able to understand the importance of road safety awareness and its uses towards the innovative world.

Hello,

With this letter I would like to express my gratitude to the management of Thamirabharani College of Engineering.

Our

In the village, Thamirabharani Engineering College and students, together with the teachers, they created road safety awareness among the youth living here. Accident-free travel is possible if you obey the rules of the road! People were told that. Road safety, the collective responsibility of the community! Informed that.

For now,

REPORT OF THE PROGRAM

1	Program Name	"ETHICS FOR A TEACHER"
2	Date of Program	23.10.2017
3	Resource Person:	Mr.P.Senthilkumar Paul Raj
4	Participants	45
5	Objective of Program	The main objective of the webinar is to give a clear insight to the maintenance of dignity and interest of the profession by maintaining high standard of professional and personal conduct.
6	Program Description	<p>The program started with welcome address and introduction to the resource person by Mr. P. Senthilkumar Paul Raj, Secretary. 45 faculty members of all branches attended the programme. The resource person explained in detail about Ethics for a Teacher. The Teacher should deal justly and impartially with students regardless of their social, economic, regional and religious background. They should recognize the differences among students and seek to meet their individual needs and also encourage the students to work for higher individual goals. She also advised the teacher to be loyal to the institute system and the country. Seek to make professional growth continuous by such procedures as study, research, and attending conferences, professional meetings and continuing education programmes.</p> <p>The session concluded with an interactive session between the Resource person and the faculties in which the queries of the teachers were addressed satisfactorily. The session was very clear, understandable and informative. The session ended with vote of thanks by the program coordinator, Mr. E. Subramanian, AP/EEE</p>
7	Outcome of this Program	It suggests bridging the gap between ethical theory and cases by teaching ethical dilemmas and issues that are likely to be encountered in daily professional life.

REPORT OF THE PROGRAM

1	Program Name	Seminar on "ETHICS FOR STUDENTS"
2	Date of Program	06.09.2017
3	Resource Person:	Dr. R. Rajakumari
4	Participants	36
5	Objective of Program	The main objective of the seminar is to study and assess human behaviour.
6	Program Description	<p>The program started with a welcome address. The students of all branches attended the seminar. The resource person discusses the following factors; Student development theory provides a framework for empowering students in these life tasks.</p> <p>The five ethical principles that inform our work as student life professionals are 1) Autonomy 2) Prevent Harm 3) Do Good 4) Justice and 5) Fidelity.</p> <p>In the goal of autonomy, we recognize the need for students to become increasingly independent. With a clearer sense of self, students develop an increased sense of confidence and self-direction. Secondly, within this increased sense of autonomy, we must prevent harm. However, avoiding harm is not an end in itself; we want to provide the opportunity to do well.</p> <p>Interacting within a campus context, we treat each other with equity. Student Life professionals value justice; recognizing that individuals are different, we retain objectivity in our perception of each other.</p> <p>Fidelity is reflected in our commitment to confidentiality, professionalism and knowledge of our abilities and limitations. To be most meaningful, trust and confidentiality is embraced by both faculty and students when engaging sensitive issues.</p> <p>The session was very clear, understandable and informative. The session ended with a vote of thanks by the program coordinator.</p>
7	Outcome of this Program	<p>It suggests bridging the gap between ethical theory and cases by learning student's ethical awareness, reflection, and decision-making ability.</p> <p><i>R. Rajakumari</i> Program Coordinator</p> <p>THAMIRABHARANI ENGINEERING COLLEGE Chithirampudukottam Vally Chidambaramagar - Voppankulam Road. REPORT OF THE PROGRAM

1	Program Name	"ETHICS FOR A TEACHER"
2	Date of Program	11.03.2019
3	Resource Person:	Mr. P. Senthilkumar Paul Raj
4	Participants	50
5	Objective of Program	The main objective of the webinar is to give a clear insight to the maintenance of dignity and interest of the profession by maintaining high standard of professional and personal conduct.
6	Program Description	<p>The program started with welcome address and introduction to the resource person by Mr. P. Senthilkumar Paul Raj, Secretary. 50 faculty members of all branches attended the programme. The resource person explained in detail about Ethics for a Teacher. The Teacher should deal justly and impartially with students regardless of their social, economic, regional and religious background. They should recognize the differences among students and seek to meet their individual needs and also encourage the students to work for higher individual goals. He also advised the teacher to be loyal to the institute system and the country.</p> <p>The session was very clear, understandable and informative. The session ended with vote of thanks by the program coordinator, Mr. E. Subramanian, AP/EEE.</p>
7	Outcome of this Program	It suggests bridging the gap between ethical theory and cases by teaching ethical dilemmas and issues that are likely to be encountered in daily professional life.

Report of the Program

1	Event Name	International Women's Day
2	Date of event	08.03.2019
3	Resource person	Dr. R. Rajakumari
4	Participants	43
5	Objective of the Event	The Purpose of the day is to uphold women's achievements, recognize challenges, and focus greater attention on women's rights and gender.
6	Event description	<p>The program started with welcome address by Ms. P. Saravanaselvi, Assistant Professor ECE Department. 43 girl students participated in the International Women's Day. It was wonderful platform for girl students. The Chief guest briefly narrated the importance of women's day. Undoubtedly, different individuals have different talents, skills, and attributes, which they can contribute to an organization's success. Eliminating or reducing female representation in the workforce not only decreases a company's talent pool, but it also reduces the needed collaboration between uniquely skilled men and women to achieve organizational growth.</p> <p>She explained the fact how the girl child treated in the society. She had also given suggestion to the girls how to improve the confidence. The session ended with vote of thanks by the program coordinator, Ms. P. Saravanaselvi, AP/ECE.</p>
7	Outcome of the Event	The outcomes of the program to celebrating the achievements of women and seeking gender equality.

REPORT OF THE PROGRAM

1	Program Name	Road Safety Awareness Program
2	Date of program	13.02.2019
3	Resource person:	Mr. Durairaj
4	Participants	57
5	Objective of program	The main objective of the program is to make the students aware of the importance of Road Safety.
6	Program description	<p>The program started with welcome address and introduction to the resource person by Mr. S.P. Shanmuga Priyan, AP/ Civil. 57 members participated in the program and our Chairman Mr. Paulraj along with our Principal Dr. K. Asan Mohideen. NSS and YRC Coordinators organized that event. Mr. Durairaj, General Manager, TNSTC was the resource person. His speech mainly focused on the following points:</p> <ul style="list-style-type: none"> • Never Drink & Drive. • Always Wear Seat Belt. • Keep a Safe Distance from the vehicle ahead. • Always Avoid Distractions. • Never Break Red Signal. • Always Drive Within Speed Limit. • Avoid the Drowsiness While Driving. • Watch Out For Drivers On the Road. <p>And it was a resounding success, which was arranged by NSS & YRC Coordinators. The session concluded with an interactive session between the instructor and the students in which the queries of the participants were addressed satisfactorily. The session was very clear, understandable and interesting. The session ended with vote of thanks by the program coordinator, Mr. A. Niyas Ahamed AP/ECE.</p>
7	Outcome of this program	The students get awareness on importance of Road Safety

REPORT OF THE PROGRAM		
1	Program Name	Seminar on "AWARENESS PROGRAMME ON MEASURES TO CONTROL CYBER CRIME"
2	Date of program	10.02.2019
3	Resource person:	Mr. D. G. David
4	Participants	50
5	Objective of program	The main objective of the Seminar is to address the issues of strategic prevention of cybercrime with the key focus on the measures to prevent cybercrime related to students and faculties.
6	Program description	<p>The program started with a welcome address for 50 students and faculty members of all branches attended the Seminar. The resource person explained in detail about cybercrime threats and how to prevent cybercrime related threats. The primary tool for such prevention is undoubtedly education aimed at establishing greater awareness and knowledge regarding illegal Internet content and cybercrime among students and faculties, as well as parents and educators. As many students have Smartphones, special attention should be paid to Smartphones and other mobile devices. Also he explained about how to Select the right privacy settings and content sharing filters on social media so that you are sharing your information, photos and videos only with your trusted ones.</p> <p>The HOD motivated the students and staff members and conveyed the importance of the Seminar. The session concluded with an interactive session between the Resource person, students and the faculties in which the queries of the teachers and students were addressed satisfactorily. The session ended with a vote of thanks by the program coordinator, Mrs. M. Suganthi, AP/CSE.</p>
7	Outcome of this program	Faculties and students are able to protect themselves from cybercrime.

REPORT OF THE PROGRAM

1	Program Name	Seminar on Environmental Science
2	Date of program	28.09.2018
3	Resource person:	Dr. R. Jaya Raj
4	Participants	63
5	Objective of program	The main objective of the seminar is to make the students understand the importance of conservation of environment.
6	Program description	The program started with welcome address and introduction to the resource person by Mrs. A. Kanagalakshmi, Professor & Head of ECE Department. 63 students and faculty members of all branches attended the webinar. The resource person explained the importance of environment in our life. Environmental science is an interdisciplinary academic field that integrates physical, biological and information sciences to the study of the environment, and the solution of environmental problems. Environmental science emerged from the fields of natural history and medicine during the enlightenment. He explained the reasons behind global warming and discussed about the ways in which it can be reduced. He also elaborated renewable energy sources with its role and potential in India. The HoD and staff in charges motivated the students and conveyed the importance of the seminar. The session concluded with an interactive session between the instructor and the students in which the queries of the participants were addressed satisfactorily. The session was very clear, understandable and interesting. The session ended with vote of thanks by the program coordinator, Mr. A. Niyas Ahamed AP/ECE.
7	Outcome of this program	The students get awareness on importance of environmental protection.

2.	Date of program	21.02.2020
3.	Participants	40
4.	Objective of the Program	The objective of this program is to clean the holy places and inhibit the habit of importance of cleanliness among student community.
5.	Program description	<p>Cleanliness gives rise to a good character by keeping body, mind, and soul clean and peaceful. Holy place comes under the microscope now a day due to the Spread of COVID-19 among congregants. The Centers for Disease Control and Prevention report that the virus spreads mainly through respiratory droplets which can typically travel up to six feet between people. Because COVID-19 travels so effectively in aerosol or droplet form, singing, chanting and repeating prayers can increase the risk. Religious spaces are designed to be dark about 75% of the week and bustling the rest of the time, yet it's tough to sanitize the space when it's vacant and expect that the cleanliness will last throughout the busy periods.</p> <p>On 21.02.2020, the program "Cleaning Holy Place" was conducted in Andarkulam, Tirunelveli. 40 members participated in the programme and they cleaned the entire campus. Our teachers had also explained about the cleanliness. It was a resounding success, which was arranged by Mr. A. Niyas Ahamed, Coordinator/Rotaract Club.</p>
6.	Outcome of the Program	The students able to understand the importance of cleanliness and its uses towards the healthy world.

Town name: Andarkulam

Date: 21.02.2020

Hello,

In our village, students and teachers of the Thamirabharani Engineering College, along with the people living here, undertook the task of cleaning the temple. They also spoke to the people about the environment and the need for cleanliness.

With this letter I would like to express my gratitude to the management of Thamirabharani Engineering College.

For now,

Echanda Panchayat

REPORT OF THE PROGRAM

1	Program Name	Cleaning the Village
2	Date of program	04.10.2019
3	Participants	88
4	In Association with	Velshine Power Solutions
5	Objective of the Program	The main objective of the program is to clean the village to keep the environment safe and clean and create social responsibility among students.
6	Program Description	<p>On 04.10.2019, a program on "Cleaning the Village" was conducted in Rajavallipuram Village, Tirunelveli. 88 members participated in the program and cleaned the streets, school premises, holy places etc. On behalf of Village Panchayat, Panchayat President provided the gloves, garbage collection bags and the masks to the participants in the drive. The entire stretch of Thenkalam village was cleaned by the students and all the collected waste (plastic, cloths, cans, bottles, etc) in the village was handed over to the waste collection vehicle arranged by the Village Panchayat.</p> <p>The teachers had also explained about the types of wastes and its disposal system. It was a resounding success which was arranged by Mr. A. Niyas Ahamed, Coordinator/ Rotaract Club.</p>
7	Outcome of the Program	The students get awareness on importance of cleanliness and help to improve their social responsibility.

ABSTRACT OF THE PROGRAM

1	Program Name	Seminar on "ETHICS FOR STUDENTS"
2	Date of program	18/08/2019
3	Resource person	Dr. H. Rajakumar
4	Participants	30
5	Objective of program	The main objective of the seminar is to give the information about moral principles, values and virtues as well as concepts such as equal human worth.
6	Program description	<p>The program started with a welcome address. The students of all branches attended the seminar. The resource person discusses the following factors: Student development theory provides a framework for empowering students in these life tasks.</p> <p>The five ethical principles that inform our work as student life professionals are 1) Autonomy 2) Prevent Harm 3) Do Good 4) Justice and 5) Fidelity.</p> <p>In the goal of autonomy, we recognize the need for students to become increasingly independent. With a clearer sense of self, students develop an increased sense of confidence and self-direction. Secondly, within this increased sense of autonomy, we must prevent harm. However, avoiding harm is not an end in itself; we want to provide the opportunity to do well.</p> <p>Interacting within a campus context, we treat each other with equity. Student Life professionals value justice; recognizing that individuals are different, we retain objectivity in our perception of each other.</p> <p>Fidelity is reflected in our commitment to confidentiality, professionalism and knowledge of our abilities and limitations. The session was very clear, understandable and informative. The session ended with a vote of thanks by the program coordinator, Mrs. M. Suganthi, AP/CSE.</p>
7	Outcome of this program	It suggests bridging the gap between ethical theory and cases by learning ethical dilemmas and issues that are likely to be encountered in daily professional life.

REPORT OF THE PROGRAM

1	Program Name	Seminar on "ETHICS FOR STUDENTS"
2	Date of program	07.12.2020
3	Resource person	Dr. R. Rajakumari
4	Participants	98
5	Objective of program	The main objective of the seminar is to give a students, Think for themselves about moral principles, values and virtues as well as concepts such as equal human worth, and make good decisions so that they may have good, productive lives in society.
6	Program description	<p>The program started with a welcome address and introduction to the resource person by Dr. R. Rajakumari, HoD. 150 students of all branches attended the seminar. She discusses the following factors; Student development theory provides a framework for empowering students in these life tasks.</p> <p>The five ethical principles that inform our work as student life professionals are 1) Autonomy, 2) Prevent Harm, 3) Do Good, 4) Justice, and 5) Fidelity.</p> <p>In the goal of autonomy, we recognize the need for students to become increasingly independent. With a clearer sense of self, students develop an increased sense of confidence and self-direction. Students must answer the question, "What does it mean to become independent and responsible? Secondly, within this increased sense of autonomy, we must prevent harm. However, avoiding harm is not an end in itself; we want to provide the opportunity to do good. Interacting within a campus context, we treat each other with equity. Student Life professionals value justice; recognizing that individuals are different, we retain objectivity in our perception of each other.</p> <p>We also understand that trust is critical for developing relationships. Fidelity is reflected in our commitment to confidentiality, professionalism and knowledge of our abilities and limitations. To be most meaningful, trust and confidentiality is embraced by both faculty and students when engaging sensitive issues.</p> <p>The HOD motivated the students and conveyed the importance of the seminar. The session concluded with an interactive session between the Resource person and the students in which the queries of the students were addressed satisfactorily. The session was very clear, understandable and informative. The session ended with a vote of thanks by the program coordinator, Mr D. G. David, AP/CSE.</p>
	Outcome of this program	It suggests bridging the gap between ethical theory and cases by learning ethical dilemmas and issues that are likely to be

REPORT OF THE PROGRAM

1	Program Name	Cleaning the Village
2	Date of program	08.01.2021
3	Participants	93
4	In Association with	Velshine Power Solutions
5	Objective of the Program	The objective of this program is to create awareness among the students regarding cleanliness and its benefits.
6	Program description	On 08.01.2021 " Village Cleanliness Program " was conducted in Rettiyar patti village, Tirunelveli. 93 members participated in the camp. They cleaned lawns and parks of the village school. NSS Programme officer, Mr. Niyas Ahamed told that the volunteers also cleaned the streets and disposed off the dirt and garbage scattered around. They went from door to door for educating villagers the importance of keeping their surroundings neat and tidy. The volunteers also warned the villagers about the hazards of environment pollution. "Everyone should grow a tree and preserve it, so that the fast depleting environment may be saved from further degradation," said the organizers. The volunteers also highlighted the importance of cleanliness. The village head members appreciated the efforts of the students to create awareness among the villagers regarding cleanliness. It was a resounding success which was arranged by Mr. A. Niyas Ahamed, Coordinator / Rotaract Club.
7	Outcome of the Program	It helps the students to get awareness on importance of cleanliness and to improve social responsibility.

REPORT OF THE PROGRAM

1	Program Name	Road Safety Awareness Program
2	Date of program	22.01.2021
3	Participants	38
4	Objective of the Program	The objective of this program is to provide road safety information for road users to encourage safer road user behavior among current and prospective road users and reduce the number of people killed and injured on our roads every year.
5	Program description	Road traffic safety refers to the methods and measures used to prevent road users from being killed or seriously injured. Typical road users include pedestrians, cyclists, motorists, vehicle passengers, horse riders and passengers of on-road public transport. On 22.01.2021 "Road Safety Awareness Program" was conducted in Uthankulam Village, Tirunelveli. 38 members participated in the program and had road safety education. It would help the students to understand the importance of safety on the road when walking as a pedestrian or as one driving a vehicle. It's also important to take immediate action such as calling the authorities for medical or transport aid or both. The program was a resounding success which was arranged by Mr. A. NiyasAhamed, Coordinator / Rotaract Club.
6	Outcome of the Program	The students are able to understand the importance of road safety awareness and its uses towards a safer world.

தேதி : 22.01.2021

வணக்கம்,

எங்கள் கிராமத்தில், தாமிரபரணி பொறியியல் கல்லூரி மாணவர்களும் ஆசிரியர்களும் இணைந்து, இங்கு வசிக்கும் இளைஞர்களிடம் சாலை பாதுகாப்பு விழிப்புணர்வை ஏற்படுத்தினர். சாலை விதிகளை மதித்தால் விபத்தில்லா பயணம் சாத்தியமே! என்பதை மக்களுக்கு எடுத்துரைத்தனர். சாலை பாதுகாப்பு, சமூகத்தின் கூட்டுப்பொறுப்பு! என்பதை தெரியப்படுத்தினர்.

இக்கடிதத்தின் மூலம் தாமிரபரணி பொறியியல் கல்லூரி நிர்வாகத்தினருக்கு நான் எனது நன்றியைத் தெரிவித்துக் கொள்கிறேன்.

K. பிச்சாணி

இப்படிக்கு,

துணைத்தலைவர்

Hello,

In the village, Thamirabharani Engineering College students and teachers teamed up to create road safety awareness among the youth living here. Accident-free travel is possible if you obey the rules of the road! People were told that. Road safety, the collective responsibility of the community! Informed that.

With this letter I would like to express my gratitude to the management of Thamirabharani Engineering College

For now,

Echandha Panchayat

<u>REPORT OF THE PROGRAM</u>		
1	Program Name	Seminar on "AWARENESS PROGRAMME ON MEASURES TO CONTROL CYBER CRIME"
2	Date of program	10.02.2021
3	Resource person	Mr. D. G. David
4	Participants	50
5	Objective of program	The main objective of the Seminar is to address the issues of strategic prevention of cybercrime with the key focus on the measures to prevent cybercrime related to students and faculties.
6	Program description	<p>The program started with a welcome address and introduction to the resource person by Mrs. S. Ponsundari, Assistant Professor / CSE Department. 50 students and faculty members of all branches attended the Seminar. The resource person explained in detail about cybercrime threats and how to prevent cybercrime related threats. The primary tool for such prevention is undoubtedly education aimed at establishing greater awareness and knowledge regarding illegal Internet content and cybercrime among students and faculties, as well as parents and educators. As many students have Smartphones, special attention should be paid to Smartphones and other mobile devices. Also he explained about how to Select the right privacy settings and content sharing filters on social media so that you are sharing your information, photos and videos only with your trusted ones.</p> <p>The HOD motivated the students and staff members and conveyed the importance of the Seminar. The session concluded with an interactive session between the Resource person, students and the faculties in which the queries of the teachers and students were addressed satisfactorily. The session ended with a vote of thanks by the program coordinator, Mr. R. Jeeva, AP/CSE.</p>
7	Outcome of this program	Faculties and students are able to protect themselves from cybercrime.
