Imagination is the spark that ignites the fire of creativity, Rangoli is a traditional form that brightens up an occasion and is believed to be harbinger of good luck. Beautiful patterns are created on the floor using coloured rice, flowers, coloured sand or paints. Keeping up with this thought, the talent and creativity of the students was well brought out in this Competition organized on 15/12/2021 by FAC and had 22 participants.

4

FAC organized an Art from Waste competition for our students on December 16<sup>th</sup>, 2021 and we had 17 participants. The very purpose of this competition was to identify the best and provide them an opportunity to participate in inter college events. It was a creative event at which the participants got an opportunity to reflect on the waste in our lives, and what we can do to transition to a more sustainable future.
