## **PLACEMENT POLICY**

One Student more offer is the placement policy

The Interested students for campus placements should register for participating in the campus placement selection process as per T&P Cell notification usually during the end of the third year of engineering.

## **TRAINING AND PLACEMENT CELL**

Our Institute has established a full-fledged Training and Placement Cell (TPC) for facilitating the students for campus placement. The facilities include a Seminar Hall of seating capacity 400 for conducting PPT and other events, a Discussion Room and 10 numbers of Interview Rooms. All these rooms are designed good interiors, ambience provided with networking and other essential facilities.

Training is an essential component to enable students equip with the desired skills to get decent placement in Companies/Corporates/Industries/Organisations. Training on communication skills is designed and executed with the help of Experts for all students, starting from second year onwards to meet the standard of industry expectations. Career focus events are arranged to help students to set their target from second year onwards so that they would get adequate time for competence development. Career Awareness programmes are arranged for all second year students to make them aware of all career options and competence expected by industries.

Students are also groomed to become able Engineers with relevant skills needed to get employed. Students are trained to meet the Industry expectations and develop

confidence to face the companies selection process that includes Aptitude test, Group discussion and Personal interview. Eminent Human Resource Executives from various Industries are invited frequently to give guidance on the expectations of Industries from fresh Graduates/Engineers. Students are well informed and guided to set their goals and mentored to achieve it. Students get complete guidance from TPC about preparing for placement in their chosen field or corporate or industry.

Various placement training programmes such as solving Aptitude questions, Group Discussion skills, Interview Techniques, Resume preparation, etc., are arranged for all final year students to equip well to participate in campus recruitment interviews. The Training and Placement Centre makes every effort to network with all segments of industries ranging from Manufacturing to Software. Fruitful relationships with industries are being nourished with utmost care for mutual benefit.

TPC also provides the Students guidance on higher studies, preparing and writing various entrance examinations like **CAT**, GATE, **GMAT, BEC, GRE, TOFEL**, TANCET to pursue higher education in Engineering, Technology and Management streams.
